## Network Icon Library

Network Icon Library is a collection of distinctive icons designed in the Windows Vista style that represents all operations and concepts related to networks. Each icon is drawn in two versions: with and without shadow. The collection includes such icons as: network card, cable, network hub, wireless connection, network engineer, network security, administrator and many others.

**Number of icons:** 372

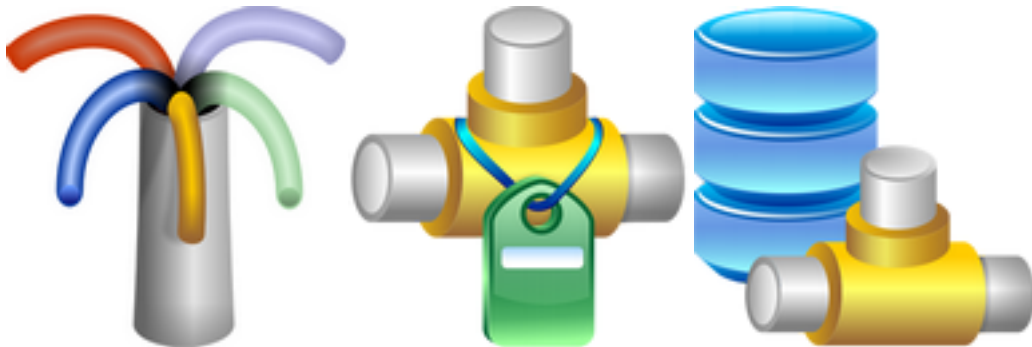

**Image sizes:** 256 x 256, 48 x 48, 32 x 32, 24 x 24, 16 x 16

**Color formats:** 32-bit (for Windows XP), 8-bit (256 colors)

**File formats:** ICO, PNG, GIF, BMP

**Set price:** \$129.00

**Item price:** \$5
